

CabinPro LLC WARRANTY AGREEMENT

CabinPro LLC strives to offer quality buildings which our customers can count on for years to come. Quality construction combined with careful craftsmanship is our goal as we strive to satisfy every customer. Our commitment to satisfaction comes with a CabinPro LLC 2 year limited warranty. We offer the following:

CabinPro will:

- Deliver your building free of structural defects
- Offer a 2 year limited warranty on any construction defects due to improper installation or malfunctioning materials.

Painting on SmartPanel buildings is considered a part of routine maintenance and is only covered under the CabinPro LLC warranty for the first year. CabinPro LLC does not warrant the trailer chassis and is not responsible for it rust or decay.

The CabinPro LLC warranty is only applicable to the original owner and shall not be transferred or sold to any owners thereafter

Defects are defined as deficiencies or damage which renders the building unsound by a reasonable standard.

Necessary repairs will be carried out by CabinPro LLC personnel or a capable contractor appointed by CabinPro LLC according to arrangements made in a timely manner with the customer.

CabinPro LLC is not responsible for any natural disasters, acts of God or damage induced by fire, fallen trees, wind. Neither does CabinPro LLC cover the following. Abuse, negligence lack of proper maintenance, damage occurred due to improper blocking and or anchoring , frozen pipes due to improper winterization, or inadequate heat,

Any warranty claims must be received within thirty days of discovering the problem and must include the original sales invoice. Failure to provide these in a timely manner may relieve CabinPro LLC from responsibility to cover any or all damages.

CabinPro LLC is not responsible for damage to the building caused by obstructions such as trees, shrubs, overhead wires, or other present conditions which are in the path of delivery.
